To make altar:

To make ram:

1. Glue a small white pompom to a medium size white pompom to cotton ball. 2. Glue 4 brown or black pony beads to bottom of medium pompom for feet. 3. Cut two small “c” shaped pieces and glue one to each side of the small pompom for horns. 4. Use permanent marker to make two dots for eyes.

You can make the altar and ram before class for younger students or older students can put them together in class, if desired.

Abraham and his Descendants
Scripture Reference: Gen 15:5

Give each child a piece of black construction paper. Then give each child a small amount of paper stars. (print some colored stars out on the computer using card-stock paper/foil star stickers.) Allow them to glue their stars to the black paper, leaving some space between the stars. Next, give each child a piece of chalk (any color) and have them connect the stars and count the stars. Then glue the memory verse to the bottom of the page. "Look up into the heavens and count the stars if you can. Your descendants will be like that " too many to count!" Gen. 15
