Babel's Tower

by Keith W. Shackelford

A long time ago
when the world was young;
Men lived together
They spake only one tongue.

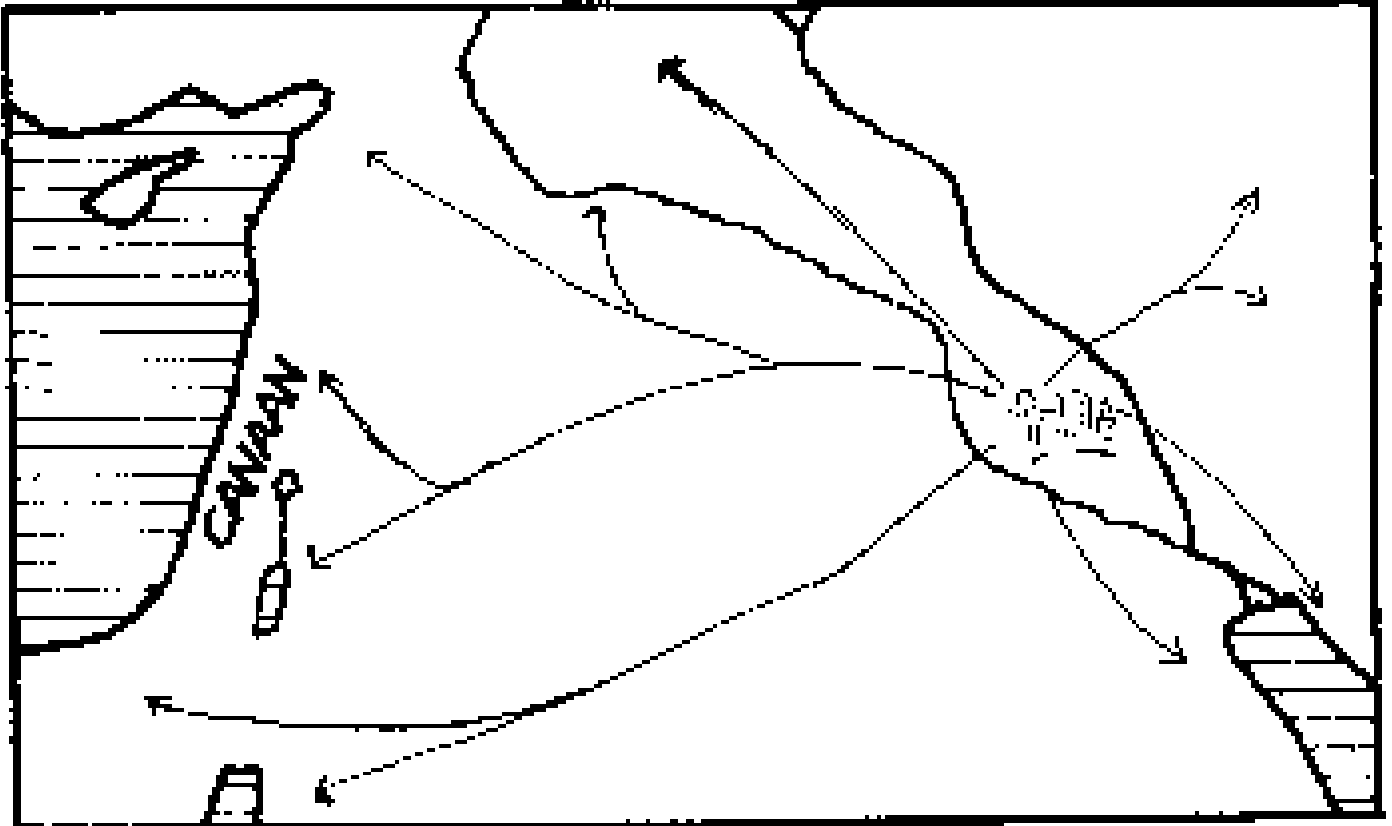

Then they decided
build a tower to heav'n
On the Plain of Shinar
we will live forever.

The Lord came down
and saw their deeds,
He looked at their tower
with their pride He was displeased.

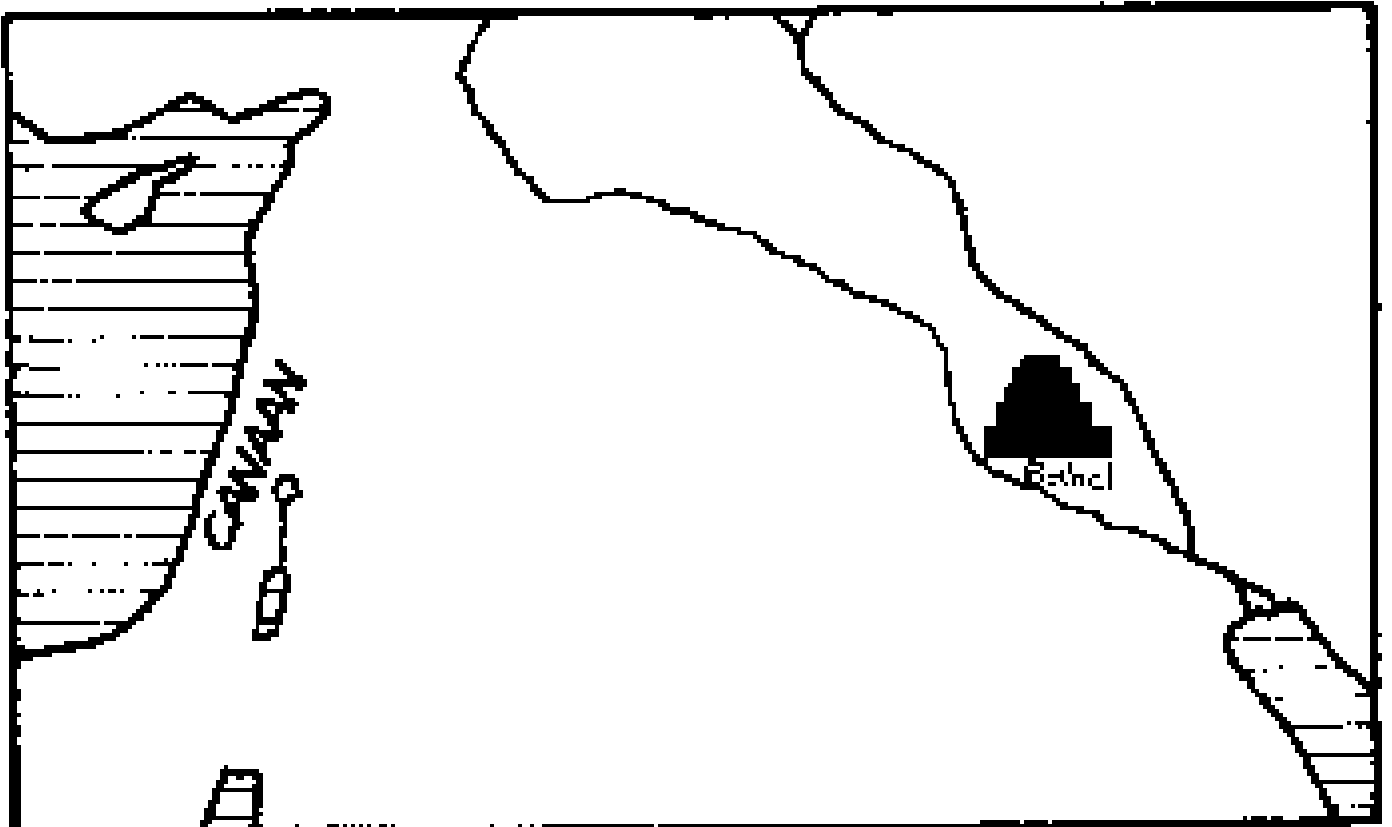

And the Lord said,
"Behold, the people is one.
Let us confound their language
And scatter them abroad."

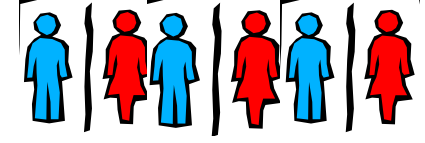

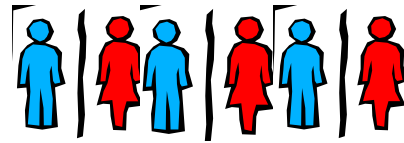

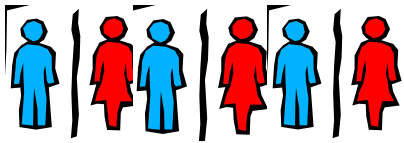

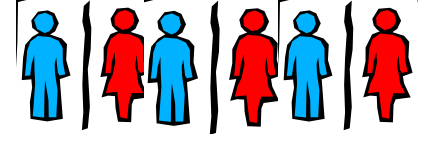

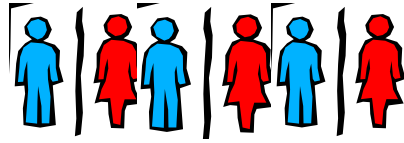

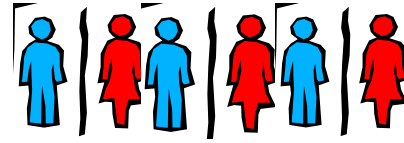

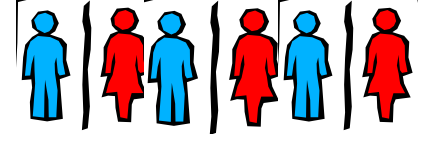

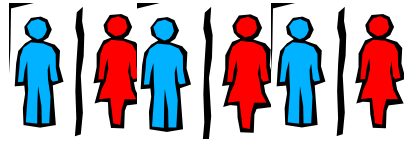

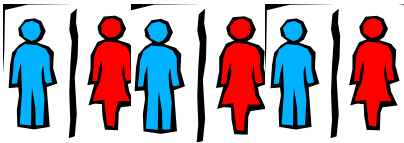

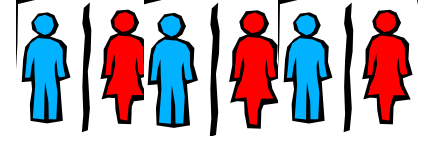

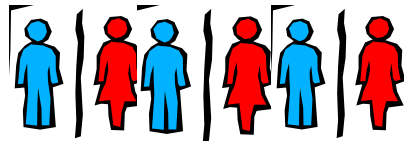

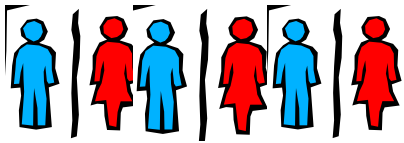

So He confused their language
And scattered them abroad.
