## Days of Creation

Day one, day one,  
God made light where there was none  
Day one, day one,  
God made light where there was none

Day two, day two,  
God made earth and skies of blue  
Day two, day two,  
God made earth and skies of blue

Day three, day three,  
God made grass and flowers and trees  
Day three, day three,  
God made grass and flowers and trees

Day four, day four,  
Sun and moon and stars galore  
Day four, day four,  
Sun and moon and stars galore

Day five, day five  
God made fish and birds that fly  
Day five, day five  
God made fish and birds that fly

Sixth day, sixth day  
God made animals and man that day  
Sixth day, sixth day  
God made animals and man that day

Day seven, day seven  
God went and rested in heaven  
Day seven, day seven  
God went and rested in heaven

## God Made Me and All of You (Tune of "London Bridge")

God made me and all of you,  
All of you, all of you,  
God made me and all of you.  
He loves us!

He made frogs and birdies too  
Birdies too, birdies too,  
He made frogs and birdies too  
Cheap! Cheap! Cheap!

## My God is So Big

My God is so big,  
So strong and so mighty  
There's nothing my God cannot do.  
The mountains are his  
The valleys are His  
The trees are His handiwork too!

My God is so big,  
So strong and so mighty  
There's nothing my God cannot do.

## IT'S OUR GOD'S WORLD AFTER ALL

(Tune: It's a Small World)

There is just one God and His only Son,  
Who came to earth to save everyone,  
So give God your heart  
And your sins will depart,  
It's our God's world after all.

It's our God's world after all.  
It's our God's world after all.  
It's our God's world after all.  
That He gave to all.

## He Loves Me So

All the big fish like to be,  
Underneath the wavy sea.  
God made swimming fish I know,  
Just because he loves me so.

Big white horses gallop fast,  
Through the fields of tall, green grass.  
God made all of them I know,  
Just because he loves me so.

## **Creation Song**

(tune: "I'm a Little Teapot")

(written by Leanne (DLTK's Crafts for Kids))

God made day and God made night,  
He split the darkness from the light.  
God made you and God made me,  
And God made the animals A thru Z

God made the seas and the dry land too,  
He made the flowers and the sky so blue.  
God made you and God made me,  
And God made the animals A thru Z

God made the stars shining way up high,  
He made the birds and put them in the sky.  
God made you and God made me,  
And God made the animals A thru Z

God made the sun and God made the moon,  
He made the ants and the silly baboon.  
God made you and God made me,  
And God made the animals A thru Z
