Joshua 9

Tricked by the Gibeonites

The Gibeonites lived near where the Israelites were camped. They were afraid, so they made a plan to trick the Israelites.

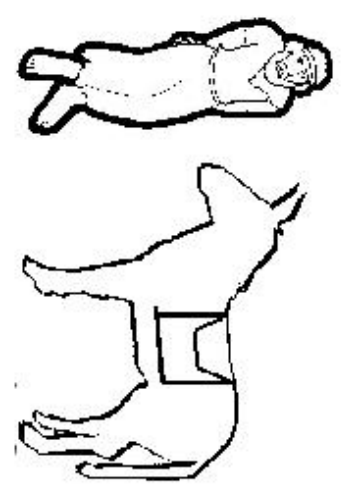

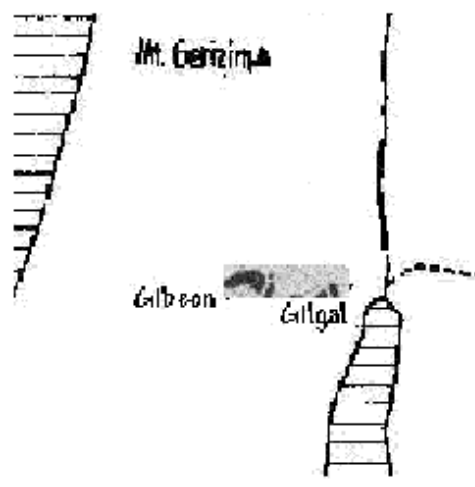

The Gibeonites came to the camp at Gilgal and said they were from a very far place and wanted to make a treaty of peace with the Israelites.

The Israelite leaders did not ask God what to do, but made a promise to the Gibeonites not to destroy them.

When they found out they had been tricked, the Israelites kept their promise and did not destroy the Gibeonites, but instead made them water-carriers and wood cutters for the camp.
